

CALL FOR PARTICIPANTS

SEEKING STUDENT DESIGNERS + RECENT GRADUATES FOR AN
ONLINE COLLABORATIVE DESIGN WORKSHOP - SPRING 2022

DESIGN FROM USER EXPERIENCE

Are you interested in joining a cross-disciplinary design workshop?

Do you want to work directly with clients to understand user needs and how this can translate to a design proposal?

Are you interested in understanding your profession from a different point of view?

JOIN US!!

For a digital design 'Birth Space Workshop'
Week commencing 28th Feb. 2022.

You will design alongside students of Midwifery from the University of Brighton. In groups you will use womens' (+) and partners stories to inform your design proposals as well as discuss the needs of medical practitioners in highly contested healthcare spaces.
